

Quote Questionnaire

Book 3 · send before you invent a number · please answer every question

Thank you for the enquiry. Before we quote, please answer the questions below. If you do not know an answer, write “unknown” — that is useful too.

From (operator / company)

Enquiry date

Our ref

1. Exact site address, and where to park or book in

2. Named client contact on the day (phone)

3. Who files or accepts the RAMS (name and email)

4. Other trades present; shutdown window; hot-work permit regime

5. Object description: material, coating claim, photos of all elevations

6. Stop layer wanted (e.g. leave primer / back to metal / remove loose only)

7. Known hazardous coating history

Quote Questionnaire

Questions 8–15 · thank you for your time

8. Listed building, conservation area or landlord consent status

☐

Yes

☐

No

☐

Unknown

Who holds consent and who approved the method? (name, in writing)

9. Power available (voltage, distance, who provides distribution)

10. Extraction: client-provided, none, or contractor kit only

11. Indoor or outdoor; weather plan if outdoor

12. Access equipment needed (scaffold, MEWP): who supplies it and who is ticketed

13. Insurance evidence you require (limits, wording, deadlines)

14. Waste ownership and skip / hazardous route

15. Payment terms you expect; PO requirement; deposit

If listed status is “unknown”, we treat it as a stop until it is known. If the coating history is “just paint”, we will need a test patch first.
